

The Jackson Project is a 501(c)(3) public charity formed in the State of Texas in 2014. The organization is formed in honor of Jackson Wallace, affectionately known as Jbird, who battled a fatal form of Leukodystrophy called Krabbe Disease. The foundation is dedicated to improving the quality of life for families affected by Leukodystrophy by:

- Financially supporting families in obtaining equipment or services they need to best care for those affected.
- Raising awareness about Krabbe, other Leukodystrophies, and the critical role of Newborn Screening.
- Partnering with the Leukodystrophy Care Network which aims to revolutionize the health and quality of life of individuals affected with proactive, innovative, and comprehensive medical care standards and specialized centers

Additional Information on Sponsorships:

Stampede Sports Arena is a multi-field indoor sports complex located in Southlake, TX that hosts soccer, flag football, lacrosse, and various other indoor activities year round! Partnering with such a facility provides a number of ways to recognize our event sponsors such as naming rights at the tournament and company recognition throughout the year. The 2019 Tournament drew more than 70 teams and we had 1,200+ shirts with our sponsor's names and logos distributed and worn for all tournament play! Your sponsorship allows The Jackson Project to pursue its mission, and we are eager to share that partnership with the hundreds of participants, family members, and friends that will be in attendance at our largest event of the year!

Thank you for your support,

The Jackson Project Team
